

SCIENCE FOR THE BENEFIT OF HUMANITY

NIH Public Access Policy

Note to Publisher

Submitted by : _____ **Date of Submission:** _____

Title of Manuscript:

The research reported in the manuscript accompanying this Note has been funded, in whole or in part, through the National Institutes of Health. The article's publication must comply with the NIH Public Access Policy (<http://grants.nih.gov/grants/guide/notice-files/NOT-OD-08-033.html>) (the "Policy").

By accepting this manuscript for review, the publisher of the journal to which this submission is made (the "Journal") is bound to recognize that the author or authors and The Rockefeller University and its agents will have the nonexclusive rights (i) to use the article in order to comply with the Policy, and (ii) to authorize the NIH to use the article and make it publicly available in accordance with the Policy. Your attention is directed to The Rockefeller University Intellectual Property Policy which, in relevant part, states, "The University reserves a royalty-free, non-transferable right to use all Inventions, Scholarly Works and Commercial Works for academic and research purposes."

Please promptly notify the corresponding author of the accompanying manuscript if the Journal will not permit compliance with the NIH Public Access Policy.
